

IEEE SCC/SMCIT – SPONSORSHIP TUTORIAL

- **The IEEE SMC-IT/SCC conference is the premier global forum advancing space mission computing, software, and information systems.**
- **The focus is on flight systems, ground systems, communications, and resilient space architectures.**
- **The conference is the meeting place for decision-makers, program leaders, and technical experts shaping next-generation space missions.**
- **This event is a high-impact platform for sponsors to showcase capabilities, build partnerships, and engage a targeted, influential audience.**

THE IEEE SCC/SMCIT CONFERENCE WILL BE IN PASADENA, CA

Venue:

Hilton Hotel

Pasadena, California

Date:

August 3 – 7, 2026

The venue has meeting rooms, lodging, ample exhibit space, and is close to NASA JPL, Caltech, and Old Town Pasadena.

HOW TO SPONSOR THE IEEE SCC/SMC-IT CONFERENCE

- **Targeted Academic Engagement:** Our streamlined, single-tier sponsorship model is designed specifically for academic institutions, offering a high-impact combination of brand visibility, physical exhibit presence, and strategic speaking opportunities to connect directly with conference attendees.
- **Customized Collaboration:** Sponsorships are managed by the Organizing Committee to ensure a seamless fit. We offer tailored options that align your institution's specific research focus or technical workshops with our attendees' engagement goals.
- **This is the sponsorship portal URL:**

<https://app.smartsheet.com/b/form/723b390d3e1c41cfbfe08d82761d499b>

Conference Record Number is **71197**

The conference organizer is Mariam Malek - mariam.malek@jpl.nasa.gov
